POSTDOCTORAL FELLOW & RESEARCH ASSOCIATE

AWARD FOR EXCELLENCE IN RESEARCH

**NEW AWARD for ELIGIBLE
POSTDOCTORAL FELLOWS and RESEARCH ASSOCIATES
of the LERNER RESEARCH INSTITUTE, CLEVELAND CLINIC**

The Lerner Research Institute is pleased to announce a new award for Postdoctoral Fellows and Research Associates who meet certain eligibility criteria for excellence in research.

This award carries with it a plaque indicating the award winner and a cash prize of \$1,000

To be eligible for this new award each applicant must:

- ✓ have fewer than six years research experience since receiving his/her doctorate (i.e., on December 31, 2010).
- ✓ submit an article (or articles) describing research of high significance published or accepted for publication in the previous calendar year (2010). The applicant must be the first author and the research must have been performed at Cleveland Clinic.
- ✓ have *both* his/her department chair *and* postdoctoral supervisor submit directly to Connie Gast (see below) independent letters indicating the significance of the research, the work ethic of the applicant and whether the applicant contributes to scientific discussions, asks questions at seminars, participates in research-related events locally and nationally.
- ✓ nominate themselves, by submitting as a pdf the above article(s) and a cover letter briefly indicating the significance of the research described in the article(s) and indicating their eligibility to the Postdoctoral Oversight Committee via Connie Gast at gastc@ccf.org (4-2868).
